Description:

Tracking made simple. Our new tracking system works in 5 second or 10 second LIVE updates.

The PT-X5 Pro was designed for narcotics operations. The unit is small and easy to install. The PT-X5 PRO comes with an extended battery and heavy magnet in a Pelican case for ease and quickness of installing on a vehicle. The unit has the ability to go into a "sleep" mode while the vehicle is parked and "wake up" when the vehicle starts moving again.
