Description:

This new portable PTZ camera system was requested by field officers in Hostage negotiation and drug surveillance teams. It is also good for use in drop cars. The video & control transmitter is a 5 watt unit with RS-485 control. The receiver & transmitter are industrial grade units designed for rugged use. The PTZ is a unit fit for fire engines and heavy duty trucks. The PTZ is IP-66 rated for all weather use. The system is also offered with a cable control at a savings of \$1200.00. For more specifications, please refer to individual data sheets.
